

Orthodontist

Apply Now

Company: Ideal Dental

Location: Walnut Cove

Category: other-general

Overview:

DECA Dental Group | Ideal Dental is a Dallas-based, clinician founded and clinician-led, dental service organization that has been delivering high-quality, affordable dental care to patients since 2008. We are actively expanding its footprint coast to coast under the brand Ideal Dental. Ideal's culture is founded on a patient-centric model. Our model of providing a Clinical Board of doctors to mentor and develop new team members is a differentiating factor key to our success. We heavily invest in continuing education opportunities to ensure we provide the highest quality of dentistry. With over 50,000 5-star guest reviews, the company cares deeply about its brand and the guest experience. The company is guided by its vision to be the premier provider of all dental services under one roof while being the first choice for dentists and staff seeking a partner for growth, innovation, and learning. For additional information visit www.decadental.com or www.myidealdental.com.

We are looking for an exceptional Orthodontist committed to providing high-quality dentistry and excellent patient care to join our DECA Dental Group family. Our multi-specialty approach and comprehensive suite of services include general, orthodontic, surgical, cosmetic, and restorative dental treatments! All practices are modern, fully digital and equipped with state-of-the-art technology treating majority fee-for-service and PPO patients. Orthodontists working in our practices have the autonomy to focus on providing outstanding orthodontic care while letting the office staff manage all non-clinical aspects of running and growing a

practice.

What does our practice offer?

We supply state-of-the-art equipment, including iTero scanners, and fully digital practices.

Majority PPO and Fee for service patient base.

100% clinical autonomy and strong internal referral base.

Dedicated Specialty team including orthodontic assistants and orthodontic managers

Guaranteed minimum compensation plus case start bonus!

DECA full-time Orthodontist's average income is \$300,000+ per year

Ownership opportunities for candidates who are interested in continued personal, professional, and financial growth!

Once you become an Owner Doctor, you can earn additional income through our equity buy-in program while continuing to practice without taking on any additional operational burdens, risk, or debt!

Responsibilities:

Ability to travel to multiple offices with their personal orthodontic support team

Establish and grow long-term patient and team relations

Provide traditional and Invisalign treatment to all ages

Pursue lifelong clinical and practice management learning/education

Assume quality of care for patients while adhering to the highest standard of dental practice ethics and professionalism

Qualifications:

DDS/DMD from an accredited university

Completion of Orthodontist Residency Program

Active or Pending State Dental Board License

Excellent interpersonal skills and the ability to communicate effectively
