Orthopaedic Surgeon - San Francisco Bay Area

[Apply Now](#)

Company: Privia Health, LLC

Location: Walnut Creek

Category: healthcare-practitioners-and-technical

We are currently looking for a board certified orthopaedic surgeon to join our well-respected practice within the multispecialty network known as BASS Medical Group. We have offices in both Antioch and Walnut Creek, CA, and time will be divided between the two locations. * Outstanding opportunity to join our well-established medical group comprised of 465+ providers across 42 medical specialties* Our team includes 1 board certified orthopaedic surgeon, 1 physician assistant, and a tenured support staff comprised of medical assistants and scribes* We provide full spectrum general orthopaedic services, and our physicians have privileges at multiple surgery centers and hospital ORs near the clinic* Flexible full-time schedule, with no required hospital call (though the option is available if the incoming physician is interested in the ancillary income)* Offering competitive compensation and complete benefits, as well as future partnership potential*Qualifications:** Experience preferred but not required * Must comply with HIPAA rules and regulations* CA state licensure and board certification is required*About the San Francisco Bay Area:** The San Francisco Bay Area is home to many of California's largest cities, the famous Silicon and Napa Valleys, beaches, and mountains, offering a wide range of lifestyles that blend urban and suburban amenities* Mountain View is a city in Santa Clara County, 10 miles north of San Jose and on the southern end of the San Francisco Bay, that prides itself on having attractive and well-built residential communities with quality education and convenient retail opportunities* Los Gatos is located just south of San Jose at the base of the Sierra Azules mountain range, and is the home to several Silicon Valley institutions * Walnut Creek is located in the "East Bay," 15 miles from Oakland and 25 miles from San

Francisco, and is also home to some of the best private and public schools in Northern California, 22 city parks, outdoor trails, and a thriving downtown neighborhood. The BASS Medical Group is a physician and patient centric multispecialty group whose purpose is to maintain physician autonomy and financial security within the construct of a large medical group. Beginning with approximately 50 doctors in the Walnut Creek area in 2014, we have grown to 465+ providers across 42 specialties in our 128 locations throughout Northern California, and look forward to expanding our reach in the future. *Interested in learning more? Apply here or contact us directly: *Allie Skrainka, Director, Physician Recruitment, Privia Medical Group, providercareers@priviahealth Call or Text: 517.234.0596
