**About UPMC in Central PA**

UPMC in Central PA is a nationally recognized leader in providing high quality, patient-centered health care services in central Pennsylvania and surrounding rural communities. The not-for-profit system cares for more than 1.2 million area residents yearly, providing life-saving emergency care, essential primary care, and leading-edge diagnostic services.

**About South Central Pennsylvania**

The Harrisburg area was just ranked by U.S. News and World Report as one of the “best Places to Live”. Our great schools, low cost of living and access to major cities are just some of the reasons why it's great to live and work here.

Features both rural and suburban living and boasts an abundance of sports, arts, cultural events, and entertainment.

Close to historically significant areas such as Gettysburg and world-famous Hershey Park and Hershey's Chocolate World.

Offers top-rated public schools, blue-ribbon private schools, and some of Pennsylvania's top colleges and universities.

Area school districts are consistently ranked in the top 20% of Pennsylvania.

With affordable homes – a composite cost of living index of 99.7 compared to 1012.2 in Philadelphia – it's a great place to grow a career and family.

Listed among Forbes.com “America's Most Livable Cities,” and ranked in U.S. News & World Report's “Best Cities to Live” in 2017, we are a two-to-three-hour drive away from New York City, Philadelphia, Pittsburgh, Baltimore and Washington, D.C.
