Company: Thriveworks

Location: Bedminster

Category: other-general

Thriveworks is currently seeking Licensed Clinicians to provide a mix of telehealth and face-to-face sessions in Allentown, PA.

Thriveworks is a clinician-founded national private practice group with locations in 48 states. Our mission is to help people live happy, successful lives, and we believe that client accessibility, integrity, and quality care are what is most important. We put a lot of emphasis on the thought that—in order for our clinical team to be accessible to clients—we must fully support our clinicians by allowing them to do what they are trained to do. We operate under the idea that we are most successful by focusing on one job and being great at that job.

Qualifications:

All eligible candidates must have one of the following independent licenses in Pennsylvania:

LCSW or LMFT or LPC

Licensed Clinical Psychologists (PhD or PsyD)

Clinicians need to be licensed and living in the state in which they will be practicing.

Compensation Up to \$58,800 depending on licensure, sessions, and bonus opportunities

What We Need:

Individuals willing to see a minimum of 15 sessions per week

A true partnership

Behavioral Health Generalists - open to seeing couples and/or children (we provide

support!)

Candidates that may be looking to grow into leadership roles/supervisors

Self guided determination to complete your notes inside of 24 hours

Strong character matters - integrity, honesty, adaptability and quality of care to name a few

Individuals who enjoy being a part of team and working together to professionally develop

What We Give:

We are dedicated to taking great care of our employees and empowering them to succeed. This enables them to focus on providing excellent care to our clients. We offer the following benefits:
