Part Time Ophthalmologist

Apply Now

Company: US Vision

Location: United States

Category: other-general

U.S. Vision is looking for an independent Part Time Ophthalmologist to run their own office located in our BOSCOV'S Optical Department in our Christiana, Delaware location! Fill-in opportunities are also available at this location. We have a simple 3 page agreement with no competitive restrictions and a very reasonable rent structure. This opportunity does not require any investment. You set your own fees and the patient records belong to you. We offer a variety of flexible arrangements and schedules to meet your needs. Our staff acts as your ancillary staff, in states where permitted, and assists with greeting your patients, completing patient histories, answering phones, scheduling appointments and supporting you in any way they can. U.S. Vision is one of the largest eyewear companies in the United States. We have been engaged in the retail optical business since 1967. We are the second largest independent operator of optical stores in host retailers in terms of store count, the first in terms of the number of brands, and are located in 42 states. If you are self-motivated and looking for a private practice opportunity in terms of scheduling flexibility and financial opportunity without the hardships and investment of opening a practice cold, contact us today! Or visit our website www.usvision.com for more information. New graduates welcome!

Requirements: State-issued license to practice ophthalmology / conduct eye examinations
Excellent customer service and organization skills
Advanced time management skills
Ability to diagnose and treat eye-related disorders and conditions

Benefits: Some of the many benefits of associating with U.S. Vision are:

- Private Independent Practice: The practice and records belong to you. No U.S. Vision restrictions or interference regarding fees or patient care
- Flexibility: We offer a variety of flexible arrangements and schedules to meet your needs,

including part-time. Our agreement is a simple 3 page document with no competitive restrictions
Local Support: Our staff is your staff (in states where permitted) at no additional charge. Our Optical Center Manager and associates act as your ancillary staff, greeting your patients, completing patient histories, answering phones, scheduling appointments and supporting you in any way they can
Advertising: We maintain a highly sophisticated advertising and marketing department. All of our advertising includes focus on eye exams and our independent doctors of optometry
Host Store Impact: We have nurtured relationships with leading department store retailers. We enjoy the inherent credibility and confidence as well as many other benefits such as participation in national marketing programs as well as direct mail access to a loyal credit card base, merchandise discounts and the host store's reputation for consistent quality and service to their customers - your patients
If you're interested to learn more about this opportunity and how US Vision can help you maintain a thriving practice please apply. Applying to this post does not commit you to this opportunity, its only expressing interest to learn more.
