(Pediatrix) is the nation's leading provider of physician services. Pediatrix-affiliated clinicians are committed to providing coordinated, compassionate and clinically excellent services to women, babies and children across the continuum of care, both in hospital settings and office-based practices. Specialties include obstetrics, maternal-fetal medicine and neonatology complemented by more than 20 pediatric subspecialties, as well as pediatric primary and urgent care clinics. The group's high-quality, evidence-based care is bolstered by significant investments in research, education, quality-improvement and safety initiatives. The physician-led company was founded in 1979 as a single neonatology practice and today provides its highly specialized and often critical care services through more than 5,000 affiliated physicians and other clinicians in 37 states. Please Note: Fraudulent job postings/job scams are becoming increasingly common. All genuine Pediatrix job postings can be found through the Pediatrix Careers site: [pediatrix/careers] (pediatrix/careers).*Pediatrix is an Equal Opportunity Employer *All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status.*#CL*PI232360208
