

Phlebotomist I

[Apply Now](#)

Company: Equilium

Location: Sarasota, Florida

Category: other-general

Client Summary:

Our client works across the healthcare ecosystem to create a healthier world, one life at a time. Our client provides diagnostic insights from the results of our laboratory testing to empower people, physicians and organizations to take action to improve health outcomes.

Shift/Time Zone: MONDAY THROUGH FRIDAY 7AM-330P

ROTATIONAL SATURDAYS 730A-11P

Job Description: Represents the face of the company to patients who come in, both as part of their health routine or for insights into life-defining health decisions. Draws quality blood samples from patients and prepares those specimens for lab testing while following

established practices and procedures. Has direct contact with patients and creates an atmosphere of trust and confidence while explaining procedures to patients and drawing blood specimens in a skillful, safe and accurate manner. Will demonstrate Leadership Behaviors while focusing on process excellence skills and sensitivity to confidentiality and accuracy to patient information.

Under the direction of the area supervisor, perform daily activities accurately and on time. Maintain a safe and professional environment. Performs with confidence, both the forensic and clinical specimen collection and processing duties following established practices and procedures. Maintains required records and documentation. Demonstrates organizational commitment and promotes a positive image to patients, clients, employees and the public in general.

Job Requirements:

Ability to provide quality, error free work in a fast-paced environment.

Ability to work independently with minimal on-site supervision.

Excellent phlebotomy skills to include pediatric and geriatric.

Flexible and available based on staffing needs, which includes weekends, holidays, on-call and overtime.

Required Education: High school diploma or equivalent.

Medical training: medical assistant or paramedic training preferred. Phlebotomy certification preferred (Required in California, Nevada, and Washington).

Work Experience: Minimum of 6 months experience. One(+) years phlebotomy experience preferred. Customer service in a retail or service environment preferred. Keyboard/data entry experience a must.

Additional Job Details: MONDAY THROUGH FRIDAY 7AM-330P
