## Principal Hydrogeologist/Geochemist

[Apply Now](#)

Company: ITASCA Denver

Location: United States

Category: other-general

**Company Description** ITASCA is a consulting and software firm specializing in mining geomechanics, hydrogeology and geochemistry. Our multidisciplinary team of experts is dedicated to providing innovative and highly skilled solutions to projects throughout the world. ITASCA drives the evolution of geological engineering and geosciences by developing innovative solutions to challenging problems. ITASCA is looking for a principal hydrogeologist and geochemist to join our team in the Denver office. ITASCA Denver's core practices are field studies and development of numerical and analytical models in the complex geologic and hydrologic locations around the globe. Our analyses and models are used to predict the environmental and operational conditions of large-scale projects. The goals of our projects are to assist our clients to protect environments and maintain to safe and sustainable development. ITASCA hydrogeologists and geochemists work on a variety of mining and environmental projects that are interesting, technically challenging, collaborative, and multidisciplinary.

**Role Description** The principal position would include the following work: Ability to maintain and develop technical projects, Supervise technical staff for project execution, Mentor staff throughout different stages of their careers, Oversee field investigations and scientific testing, Direct staff to analyze and interpret meteorologic, hydrologic, geologic, and geochemical data, Oversee the development of conceptual hydrogeologic and geochemical models, and numerical groundwater flow, water quality, and contaminant transport models to predict past, current, and future conditions, Interact with clients, stakeholders, and regulators, and Prepare and review technical reports and presentations.

**Required Qualifications** Groundwater, geochemistry, and/or hydrology expertise

and subject matter expert, 15 plus years of experience working in the mining and water resource industry, Master's degree or higher in water resources, geochemistry hydrogeology, geology, or related field, Professional registration (P.G., P.E., or P.H.), Positive attitude, willingness to mentor and teach, and ability to work in teams, Strong critical thinking and problem-solving skills with a proven track record of technical excellence, Superior written and verbal communication skills, and Experience in numerical groundwater flow and unsaturated modeling, water balance modeling, geochemical modeling, and Experience in field investigation studies. Your benefits at Itasca will include: Competitive salary that ranges from \$150,000 to \$250,000 per year based upon experience, education, skill level, and other compensable factors, Hybrid-working environment, 100% covered medical, dental, and vision insurance for the employee, and family members covered at 70%, Nondeductible-based health plans with nominal copays, Company-funded Health Reimbursement Account (HRA) up to \$5,000 per year, Performance-based bonuses, Employer matching 401k retirement plan (up to 2.5% of salary) and profit sharing (3% of salary) after 1 year of service, 3 to 5.5 weeks paid time off based on years of experience, Short and long-term disability, Life insurance coverage, Ownership opportunities in a fully employee-owned company, and, Career and professional-development plans with the potential for paid continuing education and training courses tailored to the employee's career. Applicant must be a U.S. citizen, have permanent residence status, or be authorized to work in the U.S. Check out our open jobs: <https://www.itascadenver.com/about/careers>. The expected compensation will vary based upon experience, education, skill level, and other compensable factors. Itasca is an Equal Opportunity Employer. Submit your resume and cover letter to [careers@itascadenver.com](mailto:careers@itascadenver.com), , or send me a direct email at [smeyerhoff@itascadenver.com](mailto:smeyerhoff@itascadenver.com).
