Property Insurance Risk Engineer

[Apply Now](#)

Company: JCW

Location: Waterbury

Category: other-general

Please read closely the requirements for this role before applying. Thanks!

Our client, a residential property insurer, is hiring a junior (2-4 year) Property Risk Engineer. Candidates will be working part of each week in the Waterbury area (Cheshire, CT) office, and will be required to travel regularly to client work sites (all located in the CT area) to perform inspections/risk evaluations.

The position will require:

2+ years of experience in insurance property risk engineering/loss prevention/risk control

Must have worked in the insurance industry (not an insurance role within a non-insurance industry)

This is **not** a position for people with general insurance sales, claims, underwriting, or brokerage experience.

If you're interested and meet the above qualifications, email Sean at sean.salamon@jcwresourcing.com, attaching your resume. Thanks!
