At Stop & Shop, we are dedicated to creating and maintaining a culture where the diverse backgrounds and experiences of our associates are celebrated, and all associates feel they belong and thrive. We work as one team to break down barriers, put the customer first and show that we care for our customers, communities and each other. At Stop & Shop, we're here to feed all of life's moments, and we've made a promise to our customers to help them make the small wins possible every day.
