SEA, ORD, LAS and PHX**How we support you** Competitive salaries and fair production with additional incentive bonus structures* Generous sign-on / relocation bonus* Annual \$5,000 CME + \$1,000 license/dues* 8 weeks paid time off (6 weeks PTO, 2 weeks CME)* 5-7% retirement match + 457b program* Physician wellness programs focused on personal and professional development* Monthly meetings with highest-level physician and administrative leadership to bring ideas forward and solve issues*Community Information: *Great Falls is known as Montana's base camp for art and adventure with a city population of 60,000, and a draw of over 275,000 people in north central Montana. We have four genuine seasons, experience mild winters and enjoy blue skies over 300 days per year. Great Falls is a wonderful and safe place to raise a family, with nationally ranked public schools, two accredited colleges, and a new not-for-profit medical school, TouroCOM Montana, opening Summer 2023. Additionally, the Missouri River, a blue-ribbon fly-fishing destination, runs through the middle of our community with over 60 miles of paved recreational trails. Our local outdoor activities include camping, hiking, horseback riding, water and snow skiing, rock and ice climbing, boating, paddle boarding, kayaking, off-road motor sports, and hunting making our quality of life unrivaled in the Rocky Mountain West. Additionally, in 2023, Montana was named #1 state in the nation to practice medicine by WalletHub and in 2020, Great Falls ranked #10 for best cities to practice in after the pandemic by Business Insider.*Benefis Health System* is one of Montana's largest tertiary centers holding a level II Trauma designation. We are proud to be a standalone, financially stable community health system with strong, dedicated leadership focused on providing the best patient care in Montana, in addition to being awarded Becker's "Best Places To Work in Healthcare" 6 years in a row.Benefis covers ¼ of the state's land mass, an area comparable in size to Kansas and can provide care for everything except for burns and organ transplants. We offer great specialty support including 4 neurosurgeons, a cardiothoracic and vascular program, a regional cancer institute and a brand-new emergency department with a dedicated air ambulance program, including fixed and rotor wing. Contact us today to learn more!*ericamartin@benefis.org*
