About Us

A family-owned company, we have grown to become one of the nation's largest providers of post-acute care, which includes skilled nursing rehabilitation centers, long-term care centers, assisted living communities, independent rehabilitation centers, and long-term acute care hospitals (LTACH). Since 1984, we have provided superior, comprehensive management services for the development and management of adult living communities. We have a single job description at CommuniCare, "to reach out with our hearts and touch the hearts of others." Through this effort we create "Caring Communities" where staff, residents, clients, and family members care for and about one another.
