Regional Vice President of Home Health Operations

If you are an Area Vice President of Operations, VP of Ops, or have multi-site Home Health senior leadership experience then you need to read on....

Regional Vice President of Home Health Operations Opportunity Description

Our client is a well-established and growing **Home Health and Hospice** organization. They are looking to add a **Regional Vice President of Home Health Operations** to guide clinical services and operations for multiple offices in **Florida**. Candidates can be based anywhere in **Tampa Bay, Clearwater, or Orlando** areas as long as they can travel regionally as needed. A Registered Nurse is required. Strong multi-site operations, financial, and clinical leadership experience in Medicare certified Home Health is a must. Relocation candidates welcome to apply.

Regional Vice President of Home Health Operations Requirements

Multi-site Home Health operations leadership experience

Expert in Medicare Home Health regulations, OASIS, and PDGM.

Registered Nurse is required. Bachelor's degree preferred.

Must be able to travel.

Regional Vice President of Home Health Operations Responsibilities

Oversite of Home Health operations in the region.

Oversite of directly reporting branch leaders.

Work collaboratively with senior leadership to improve performance and processes.

The compensation scale listed is a general salary range and is not intended to represent the actual annual or hourly compensation rate for this role. An offer will be made to the selected candidate at the conclusion of the interview process based on their relevant experience and the responsibilities of the position. Our client does offer a competitive compensation package potentially including incentives, health and dental insurance, PTO, retirement plans (K) and opportunities for professional development.
