

Remote CA Datacom Systems Programming Administrator

[Apply Now](#)

Company: LaSalle Network

Location: Cleveland

Category: other-general

LaSalle Network is currently partnering with a nationwide Managed Service Provider that is looking for a Remote CA Datacom Systems Programming Administrator. This individual will be responsible for upgrading and maintaining mainframe database software to support CA Datacom Environments. This is a contract opportunity with the possibility of extension or conversion and will be 100% Remote. We can support W2, 1099 and C2C.

Remote CA Datacom Systems Programming Administrator Responsibilities:

- Implement and maintain software management best practices
- Configure and manage CA Datacom and related products
- Develop strategies and processes for CA Datacom systems programming
- Establish policies and procedures for database management, disaster recovery and security
- Review new versions of CA Datacom and related products to assess benefits for clients
- Collaborate with vendors to resolve problems and answer questions
- Perform disaster recovery for system and application databases
- Troubleshoot and resolve production database issues
- Administer and customize CA Datacom and related products
- Design databases and work with CA Data Dictionary
- Monitor databases for space and performance using CA Sysview
- Utilize utilities for CA Datacom and related products
- Support planned and unplanned database recovery activities

Remote CA Datacom Systems Programming Administrator Requirements:

- Bachelor's degree or equivalent work experience
- 10+ years of experience in CA Datacom and related products for administration and systems programming support
- Experience in a large, 24x7 environment with strong prioritization skills
- Ability to effectively respond to support requests from multiple clients
- Willingness to provide after-hours on-call support
- Proficiency in writing, debugging and tuning SQL
- Previous experience in a CA

Datacom environment If you have the experience listed above, possess a great attitude and are looking for a long-term opportunity with a stable and established employer, this is the role for you! If you are interested in learning more, please apply today! Thank you, Conor Srebernak Recruiter - Technology Services LaSalle Network LaSalle Network is an Equal Opportunity Employer m/f/d/v.
