Description

About The Job Students come to Berlitz not just to learn a language, but to also gain an understanding of the culture. As a Dutch Instructor, you will work in a diverse environment that offers you a flexible schedule and casual dress code. While working with your students, you will use the Berlitz Method of instruction to create an environment where students feel free to experiment with the language and motivate them to achieve their language goals. We provide you with a flexible training course where you will learn how to perform the Berlitz Method. You will also gain access to our Learning Center which will allow you to deliver successful instruction. This is all you need! We provide the students and support; you provide the instruction.

Requirements

Responsibilities: Prepare for your lessons by going through the provided material and deciding what should be taught and how it can be customized based on the student's needs. Create a risk-free environment where students can feel free to make mistakes and experiment with the language. Document their progress after the lesson. Your schedule is based solely on your availability. We ask that you can commit to providing 15-20 hours per week. Minimum qualifications: Bachelor's Degree or equivalent experience. Teaching experience is a plus but not required. Native level Dutch and intermediate level English. Exceptional communication skills. Technical requirements: A minimum of 5 Mbps download speed / 2 Mbps upload speed. A stable wired connection to the internet (Wi-Fi is not sufficient). A PC or laptop running Windows 10 or higher, or Mac OS

11 or higher (Linux does not support our applications).A USB headset and a camera.For those living in areas where load shedding occurs, it is required to have a backup system to support your devices. A processor that has a base speed of at least 2 GHz

Offer

We offer:As an instructor, you can attend group language sessions free of chargeFlexible scheduling to fit your personal needs (must keep the original schedule for the first 3-4 months)The ability to work from home, allowing you to save time and money on your daily commuteFree intensive training of the Berlitz MethodBetween 20 and 24 USD per hour based on experience
