

REMOTE - New Jersey Telemedicine Provider MD/DO

[Apply Now](#)

Company: Circle Medical - a UCSF Health Affiliate

Location: United States

Category: healthcare-practitioners-and-technical

Seeking Telemedicine Family/Internal Medicine Providers

[REDACTED] provides panel-focused primary care medicine to adult patients of all ages. We are an evidence-based practice engaging our evolving technology to ensure the highest level of quality primary care.

MD/DO pay is **\$60** per appointment. Appointment length is 20-30 minutes

Additional earning opportunities for physicians willing to supervise mid-level clinicians.

Providers are supported with a strong team of remote care coordinators and licensed medical staff who work with you to ensure your patients get the care and follow up they need. We require a high degree of technical skill utilizing software and an open mind to fast-paced improvements driven by our technical team.

We accept most insurances and we help our patients to understand their insurance, so that providers can focus on what is important.

We are hiring a team of primary care providers immediately and pay is based on productivity. Hours are flexible, including evening and weekends and we are hiring providers who can commit a minimum of 20 hours per week, i.e 86 patient care hours per month.

We are a 7 day-a-week operation offering providers the flexibility to set their own reoccurring schedules within any combination of days.

Education & licenses required for this role

Completed an accredited MD/DO program with a national certification

Currently **actively licensed in at least 2 states** within the following list (CA, AZ, TX, CO, IL, [REDACTED], MA, AL, and TN) with the ability to obtain additional state licenses as needed.

Board Certification required

Valid DEA Certificate in good standing with all schedules for prescribing.
