Job Description:

Are you ready to take on a Clarity Consultant role collaborating closely with customers to ensure they are achieving value from our solutions and delivering business outcomes? Are you motivated by discovering and translating a client's business requirements into specific systems, applications or process designs for very large complex technology solutions? Do you enjoy working together with a team of senior level strategists? Then you're ready to join us on the ValueOps Consulting Practice at Broadcom Software.

Essential Functions:

Consulting Acumen. It is essential that consultants have experience managing multiple customers to help them achieve outcomes, and that they have the emotional intelligence that makes a good consultant, along with self-awareness around that intelligence such that a resident can teach it to others. Persuasive arguments and engagement-level leadership skills are a must.

Leadership. Leverage strategic thinking and the ability to understand the market, our customers and our environment to help us focus on the right work and to approach everything from the customer's perspective. Residents are the activators who drive us to

dive in with an eye toward getting to real value quickly.

Trusted Advisor. You are viewed – and sought out – as a source of valued advice and support by clients and coworkers. Simply put, they trust their resident and value your advice.

Facilitation Skills. Whether we are teaching a class, guiding analysis design, or supporting critical conversations, Residents take a strong facilitation approach to everything they do. It is essential Residents are a strong and experienced facilitator.

Creative Problem Solving. Residents see a problem as an opportunity to grow and are motivated to find solutions, thereby focusing on growth and achieving positive results.

Requirements:

Bachelor's Degree

8+ years of experience in Clarity consulting

#LI-Remote
