

RN Med/Surg Dept

[Apply Now](#)

Company: HexaQuEST Global - Healthcare

Location: Alamosa, Colorado

Category: other-general

Job Description:

R.N., Med Surg

Full-Time

Alamosa, CO, US

Salary Range:To 41.8900 Hourly

The salary range displayed represents the typical salary of candidates hired. Factors that may be used to determine your actual salary may include your specific skills, how many years of experience you have and comparison to other employees already in this role. The typical candidate is hired below midpoint of the range.

A sign-on bonus and relocation assistance may be available for this position.

San Luis Valley Health is seeking Registered Nurses to join our Med/Surg department! The RN will provide nursing care to all patients in the respective unit, demonstrating the ability to triage assess patients needs to ensure adequate care and nursing standards are met, observes and initiates appropriate nursing treatments, and reports symptoms and conditions of patients to medical staff. In addition, the RN will perform tasks such as assisting with invasive procedures, administering medications, documenting, and assisting other staff members on the team.

What You'll Need:

At minimum, Associates degree in nursing. BSN is preferred.

Current active Colorado Registered Nurse license.

At minimum, current AHA and BLS Certification, required upon hire.

What You'll Do:

Assisting, planning, implementing and evaluating the delivery of care to accepted nursing and hospital standards

Administering prescribed medications and treatments in accordance with approved nursing techniques.

Maintaining awareness of comfort and safety needs of patient.

Observing patient, records significant conditions and reactions, and notifies physician of patient's condition and reaction to drugs, treatments, and significant incidents.

Responding to all situations based upon nursing standards, policies, procedures, and protocol.

Documenting nursing history and physical assessment for assigned patients.

We Take Care of Our People

As the largest employer in the San Luis Valley, we commit to providing our employees with quality and affordable benefits to complement a fulfilling work experience and help balance life experiences and needs. To show our appreciation of your hard work, we offer a competitive and comprehensive total benefits package, including:

Full medical, dental and vision plans to suit the needs of you and your family, with low-cost copays and deductibles, all without high out-of-pocket expenses.

No out-of-pocket cost for AirMedCare Network Membership for those enrolled in a SLV Health medical plan.

Enjoy 21 days of Paid Time Off in your first year and a generous Sick Leave program, with accruals starting on your first day!

Start saving with Retirement plans available from day one, providing up to 5% employer match after one year of employment.

Free life and disability insurance benefits for full-time employees with the opportunity to purchase additional coverage at low costs.

Add to your benefit package with a variety of voluntary benefits such as identity theft protection, medical and dependent care flexible spending accounts and more.

Take care of yourself with our free on-site 24-hour employee health center, and discounts to a selection of local fitness/recreational centers.

Keep learning by utilizing our education program benefits to foster your growth and development.

Give back to the community with multiple opportunities throughout the year to volunteer with our own non-profit SLV Health Foundation and other SLV- and community-sponsored events.

Discounts on cell-phone plans, ski/snowboard lift tickets, Dell computers, local pools, Adams State University functions and more!

Your family is our family so our employees and their family members have access to our employee support services, including up to four free counseling sessions to assist with work/life solutions.

Night Shift (6p-6a) /hr

San Luis Valley Health Profile

San Luis Valley Health is a regional health provider serving the San Luis Valley, Colorado and beyond. In addition to our state-of-the-art hospital located in Alamosa, we also operate six clinics throughout the Valley and another hospital in Conejos County.

We are proud to offer talented, experienced caregivers who use the most advanced techniques and technology, along with a genuine sense of caring. Our patient-centered medical home is more than just a building. It's a team of health care professionals providing comprehensive and continuous medical care for you- our patient.

Our fully accredited 49-bed hospital in Alamosa provides outstanding care for those in need of general Medical/Surgical, Intensive Care and OB hospital services. We employ Hospitalist Physicians in Alamosa to ensure 24/7 in-house provider care for our hospitalized patients. We also have Conejos County Hospital serving the emergency and medical needs of individuals in Conejos and Costilla County.

For those patients in need of transfer to a higher level of specialty care, San Luis Valley Health has a relationship with Eagle Air Med, who maintains qualified medical staff locally and a fixed wing aircraft that resides at the Alamosa Airport for expedited air transport. San Luis Valley Health is an affiliate of Centura Health, which helps us increase patient access to a network of readily available resources and specialty services.

Community Profile

The San Luis Valley is surrounded by the Sangre de Cristo and San Juan mountains, which provide opportunities for some of the best world class outdoor recreation in Colorado, including the hidden treasure of Wolf Creek Ski resort (url removed) . Alamosa is a scenic and bustling community that provides the kind of Colorado lifestyle people dream about. With community pride, eclectic shops, affordable housing, golf course living with scenic views, good schools including Adams State University (www.adams.edu) and Trinidad State Junior College (www.trinidadstate.edu), low crime rates, and abundant suburban amenities, Alamosa can't be beat as a place to work, enjoy life and raise a family.
