Company: MultiCare

Location: United States

Category: healthcare-practitioners-and-technical

You Belong Here.

At MultiCare, we strive to offer a true sense of belonging for all our employees. Across our health care network, you will find a dynamic range of meaningful careers, opportunities for growth, safe workplaces, and flexible schedules. We are connected by our mission - partnering and healing for a healthy future - and dedicated to the health and well-being of the communities we serve.

FTE:1.0, **Shift:** Day,**Schedule:** M-F

Position Summary

The Compliance Nurse Auditor Investigator is an exciting advanced professional level opportunity working in partnership with corporate compliance and associated stakeholders. From planning and conducting compliance audits and reviews to running investigations and reporting, this dynamic role offers a regular range of daily work functions within compliance.

Responsibilities

You will organize, plan, perform and supervise compliance internal audits and reviews

You will conduct investigations of alleged violations; using clinical expertise to review, analyze, and solve potential or existing compliance issues and conduct clinical compliance audits

You will lead and prepare objective, accurate and factual formal or informal audit/investigative workpapers and report properly document findings, outcomes, and

determinations of effects

Requirements

Bachelor's degree in Nursing, or obtained within five (5) years from the initial date of hire;
RN with 15+ years of service may be considered in lieu of education agreement

Advanced degree in Nursing (MSN, PhD, DNP, ARNP) preferred

Current Registered Nurse license in Washington State or Multistate License endorsement (MLS)

Five (5) years of experience in clinical settings required

Experience in compliance/billing auditing in a healthcare setting preferred

Systems experience, proficient with Excel, Word, PowerPoint and Outlook

Our Values

As a MultiCare employee, we'll rely on you to reflect our core values of Respect, Integrity, Stewardship, Excellence, Collaboration and Kindness. Our values serve as our guiding principles and impact every aspect of our organization, including how we provide patient care and what we expect from each other.

Why MultiCare?

Belonging We work to create a true sense of belonging for all our caregivers

Mission-driven We are dedicated to our mission of partnering for healing and a healthy future and the patients and communities we serve

Market leadership: Washington state's largest community-based, locally governed health system

Employee-centric: Named Forbes "America's Best Employers by State" in 2023

Technology: Most Wired health care system 15 years in a row

Leading research MultiCare Institute for Research & Innovation, 40 years of ground-breaking, clinical and health services research in our communities

Lifestyle Live and work in the Pacific Northwest - offering breathtaking water, mountains

and forest at every turn

Pay and Benefit Expectations

We provide a comprehensive benefits package, including competitive salary, medical, dental and retirement benefits and paid time off. As required by various pay transparency laws, we share a competitive range of compensation for candidates hired into each position. The pay scale is \$92,061.00 - \$173,264.00 USD. However, pay is influenced by factors specific to applicants, including but not limited to: skill set, level of experience, and certification(s) and/or education. If this position is associated with a union contract, pay will be reflective of the appropriate step on the pay scale to which the applicant's years of experience align. Associated benefit information can be viewed here.
