

## Safety Manager

[Apply Now](#)

Company: Per Sé Group

Location: Mansfield

Category: other-general

**Direct hire opportunity - 3-4 months remaining on this project and then would go to company's next project. Possible long-term project in Alberta, Canada or other site. If assigned to Alberta project, must be good with climbing towers as it is a Wind Farm.**

**Job Description Must have utility scale solar experience.**

- Conduct new employee project orientation and safety/environmental training with the company and subcontractor employees.
- Attend subcontractor preconstruction meetings, review task specific Job Hazard Analyses and assist with planning for safety issues.
- Implement, execute, and ensure compliance with the corporate Health, Safety and Environmental policies and procedures.
- Lead safety/environmental incident investigation process, including root cause analysis and identification of corrective action plans. Interface with regulatory bodies (OSHA, EPA, and State/Local Regulators).
- Inspect construction site to ensure compliance and promote prevention.
- Review incident data and metrics to identify trends and recommend corrective action to address these areas.
- Provide risk assessment of construction site to evaluate safety hazards and offer remedial action.
- Evaluate contractor operational practices/equipment for safety compliance.
- Assist with establishing and maintaining a project crisis management plan.
- Conduct accident investigations and assists with OSHA and environmental inspections.

· Ensure that required regulatory permits are acquired, that reports are submitted to regulatory agencies, and any site permit conditions (e.g. sampling, record-keeping) are met.

### **Required Skills and Competencies**

- Bachelor's Degree in related field or equivalent experience.
- 8-10 years of progressive experience as an Environmental Health and System Professional.
- Strong overall knowledge of applicable environmental statutes and safety regulations.
- Operational knowledge of general industry and construction activities.
- Pluses, 29CFR
- **High Voltage safety experience required.**

**Vehicle, laptop, gas card, phone stipend, per diem \$840/week**
