Job Description

Would you like to partner with event marketers worldwide?

Would you enjoy engaging Akamai's customers, partners and employees through content?

Join our Global Events team!

Our team is responsible for Akamai's internal and external events, including the creation and management of multimedia assets for events. Our focus is creating exceptional customer and employee experiences around the world, while driving revenue growth.

Partner with the best

You'll support the creation of video, design and presentation assets within in-person, virtual and hybrid events. You are adept in all forms of digital media, with a bias towards narrative video content. A keen eye for on-brand design and storytelling, and a comfort producing English-language content are essential.

As a Senior Event Media Specialist you will be responsible for:

Being the primary resource for post-production of video, audio, and photography content in event programs

Supporting or managing remote video and audio recording sessions with event speakers

Creating and managing design assets for events including Powerpoint presentations and templates, digital signage, registration websites, emails, attendee badges

Supporting media production operations through scheduling, planning and production

platform management

Collaborating with global teams on a flexible schedule

Developing and progressing media production best practices, including through written or video guides and training materials

Do what you love

To be successful in this role you will:

Have relevant professional experience in creative roles in comparable corporate environments (events, marketing, PR/communications)

Demonstrate expertise in digital video editing, transcoding, delivery (Adobe Creative Cloud)

Have a portfolio of 2D design for print, digital, and presentation (Powerpoint & Google Slides) formats

Demonstrate ability to problem-solve with urgency

Be able to prioritize and manage multiple projects simultaneously

Work in a way that works for you

FlexBase, Akamai's Global Flexible Working Program, is based on the principles that are helping us create the best workplace in the world. When our colleagues said that flexible working was important to them, we listened. We also know flexible working is important to many of the incredible people considering joining Akamai. FlexBase, gives 95% of employees the choice to work from their home, their office, or both (in the country advertised). This permanent workplace flexibility program is consistent and fair globally, to help us find incredible talent, virtually anywhere. We are happy to discuss working options for this role and encourage you to speak with your recruiter in more detail when you apply.
