Senior Financial Analyst

[Apply Now](#)

Company: Varite, Inc

Location: San Jose, California

Category: other-general

When you're part of the team at Client, you'll do important work, like helping customers in finding cures for cancer, protecting the environment or making sure our food is safe. Your work will have real-world impact, and you'll be supported in achieving your career goals.

How will you make an impact?

Work ethic to ensure duties are completed.

Attention to detail to ensure accuracy and reliability of the information provided.

Team player to ensure the group / plant goals are meeting objectives

What will you do?

Accounting for Demo/seed process, including but not limited to processing all requests, working with fixed asset accounting team, reconciling inventory register between (url removed) and SAP ensuring all information is up to date and completed.

Perform Excess and Obsolete analysis monthly, working with Operations to identify areas of concern and opportunities to mitigate exposure.

Perform assigned month close activities, primarily those related to inventory.

Monitor process to ensure all asset additions, transfers and retirement/disposals are appropriately and timely accounted.

Recognize and escalate urgent/sensitive issues to manager.

Work with internal and external auditors as necessary.

Other ad hoc responsibilities as assigned.

Work with Operations team to validate the accuracy of transactions in SAP; including identifying and rectifying transactional errors.
