

Senior Product Manager - PAM

Apply Now

Company: Keeper Security, Inc.

Location: El Dorado Hills

Category: other-general

Keeper Security is hiring an experienced Senior Product Manager to focus on Keeper's enterprise solutions including Privileged Access Management. This is a 100% remote position!

About Keeper

Keeper Security is transforming cybersecurity for people and organizations around the world. Keeper's affordable and easy-to-use solutions are built on a foundation of zero-trust and zero-knowledge security to protect every user on every device. Our next-generation privileged access management solution deploys in minutes and seamlessly integrates with any tech stack to prevent breaches, reduce help desk costs and ensure compliance. Trusted by millions of individuals and thousands of organizations, Keeper is the leader for best-in-class password management, secrets management, privileged access, secure remote access and encrypted messaging. Learn more at KeeperSecurity.com.

Responsibilities

Collaborate with and align all stakeholders to develop requirements and deliver new products and features to market

Drive the execution rhythm in partnership with engineering; guide planning, prioritize the roadmap and lead daily standups

Conduct research and engage with customers, partners and internal teams to determine requirements and identify market opportunities

Oversee progress of multiple development teams to ensure consistency with initial design

Author product documentation, product demos, blog posts and sales readiness material

Build strong working relationships across the company to drive customer success

Measure and evaluate product performance and overall business impact

Requirements

5+ years of product management experience; SaaS product experience is required

Experience delivering successful product releases (Security or Privileged Access Management products is a plus)

Excellent knowledge of software and application design and architecture

A technical mindset with keen attention to detail

Ability to build effective relationships, influence and collaborate at all organizational levels

Outstanding verbal and written communication skills for a global audience

Strong business acumen, analytical and detail oriented

BS in computer science, engineering or relevant field is a plus

Due to this role's involvement in GovCloud, all applicants must be a US Person. A U.S. Person is defined as a U.S. citizen or a Lawful permanent resident (Green Card holder).

Benefits

Medical, Dental & Vision (inclusive of domestic partnerships)

Employer Paid Life Insurance & Employee/Spouse/Child Supplemental life

Voluntary Short/Long Term Disability Insurance

401K (Roth/Traditional)

A generous PTO plan that celebrates your commitment and seniority (including paid Bereavement/Jury Duty, etc)

Above market annual bonuses

Keeper Security, Inc. is an equal opportunity employer and participant in the U.S. Federal E-Verify program. We celebrate diversity and are committed to creating an inclusive environment for all employees.

Classification: Exempt
