#### JOB RESPONSIBILITIES:

We are seeking a diligent individual to handle our worldwide bank account management, which includes but is not limited to, opening and closing accounts, updating signatories, and ensuring compliance with banking requirements, particularly in KYC. The role entails thorough collaboration with both internal and external partners to facilitate operational requirements and manage corporate treasury functions efficiently, ensuring high standards of reporting and audit readiness. Additionally, there will be opportunities to engage in various treasury-related projects, demanding strong organizational and project management capabilities.

Maintain global bank account operations, including updates and compliance adherence.

Ensure timely completion and accuracy of all KYC requirements and banking activities.

Work closely with banking institutions and internal stakeholders to address and resolve operational issues and inquiries.

Conduct and manage periodic reporting tasks related to bank audits, FBAR reporting, and support ongoing audits.

Participate and contribute to ad hoc treasury and cross-functional projects efficiently.

#### JOB REQUIREMENTS:

Proficiency in Microsoft Office Suite and Adobe Acrobat.

Demonstrated strong critical thinking, problem-solving, and project management abilities.

Excellent communication, attention to detail, and the capacity to work independently in a

dynamic environment.
