Solar Operator I - Story Bend

[Apply Now](#)

Company: Mortenson

Location: United States

Category: other-general

OVERVIEW

Mortenson's success is not a matter of luck; it's a result of our ingenuity, expertise, and exceptional people coupled with our unparalleled focus on customer service. Our foundation and culture are based upon our company values of trust, safety, teamwork, responsibility, service and stewardship. We are inspired by a compelling purpose to build structures and facilities for the advancement of modern society and a mission to create an exceptional customer experience. Mortenson has built a reputation for being a leader in our industry and in the communities in which we live and work.

THE BIG PICTURE

As an Operator 1, your primary duties include operating and maintaining heavy operating equipment as directed and specified while adhering to all rules and regulations as mandated by Mortenson safety policies and procedures. Must be able to be a leader and trainer on solar tasks and responsibilities. Safety is always the first priority, so you must be able to understand and abide by all operating safety regulations, procedures and operations.

What are you waiting for? Apply today!

EXPECTATIONS OF ALL TEAM MEMBERS

At Mortenson, we believe everyone is a leader. For that reason, every team member is expected to apply our leadership principles – Do the Right Thing, We Before Me and Inspire What's Possible – in their work. This means we act with dependability, initiative and a positive attitude to produce high quality work and deliver an exceptional customer experience. We are on time, productive and consistent in our attendance. We approach work as part of a

team, listen to the opinions of others and cooperate to achieve project goals. We accept direction from supervisors and seek out constructive feedback. We follow rules and procedures to ensure quality work and safeguard the wellbeing of ourselves and others. We push to exceed the established goals, standards and accountabilities of our positions to increase quality, safety and innovation.

All team members are responsible for supporting a diverse, equitable and inclusive work environment, as well as positively contributing to our company culture. This begins by aligning with Mortenson's values and ethical standards as stated in the Mortenson Code of Ethics and Business Conduct, in addition to abiding by the procedures and practices outlined in the Mortenson Operations Manual.
