

Special Forces Officers

[Apply Now](#)

Company: Today's Military

Location: United States

Category: other-general

Overview

Special forces officers advise commanders on all aspects of special operations. They are experienced subject matter experts in unconventional warfare and operations fusing intelligence and planning at all levels across the operational continuum. They must have detailed knowledge of geography, economy, political structure, armed forces, and history.

Military Training

Officers typically enter the Military after they have completed a four-year college degree; enlisted service members can transition to officer positions through a variety of pathways and earn a degree while serving. Special Forces officers go through extensive demanding training. Job training for Special Forces officers primarily consists of classroom training and on-the-job learning in various training environments. Like other officers they complete a comprehensive training program covering responsibilities military structure and etiquette traditions and leadership development. Job-specific training content may include:

Physical conditioning scuba diving swimming and parachuting

Mission planning techniques

Handling and use of explosives

Reconnaissance techniques

Combat skills

Airborne training

Special Forces Qualification Courses

Helpful Attributes

Ability to remain calm and decisive under stress

Determination to complete a very demanding training program

Willingness to accept a challenge and face danger

Willingness to stay in top physical condition

Related Civilian Careers
