Company: Rio Grande Regional Hospital

Location: McAllen

Category: other-general

Description

Introduction

Last year our HCA Healthcare colleagues invested over 156,000 hours volunteering in our communities. As a Special Procedures Technologist with Rio Grande Regional Hospital you can be a part of an organization that is devoted to giving back!

Benefits

Rio Grande Regional Hospital, offers a total rewards package that supports the health, life, career and retirement of our colleagues. The available plans and programs include:

Comprehensive medical coverage that covers many common services at no cost or for a low copay. Plans include prescription drug and behavioral health coverage as well as free telemedicine services and free AirMed medical transportation.

Additional options for dental and vision benefits, life and disability coverage, flexible spending accounts, supplemental health protection plans (accident, critical illness, hospital indemnity), auto and home insurance, identity theft protection, legal counseling, long-term care coverage, moving assistance, pet insurance and more.

Free counseling services and resources for emotional, physical and financial wellbeing

401(k) Plan with a 100% match on 3% to 9% of pay (based on years of service)

Employee Stock Purchase Plan with 10% off HCA Healthcare stock

Family support through fertility and family building benefits with Progyny and adoption assistance.

Referral services for child, elder and pet care, home and auto repair, event planning and more

Consumer discounts through Abenity and Consumer Discounts

Retirement readiness, rollover assistance services and preferred banking partnerships

Education assistance (tuition, student loan, certification support, dependent scholarships)

Colleague recognition program

Time Away From Work Program (paid time off, paid family leave, long- and short-term disability coverage and leaves of absence)

Employee Health Assistance Fund that offers free employee-only coverage to full-time and part-time colleagues based on income.

Note: Eligibility for benefits may vary by location.

Would you like to unlock your potential with a leading healthcare provider dedicated to the growth and development of our colleagues? Join the Rio Grande Regional Hospital family! We will give you the tools and resources you need to succeed in our organization. We are looking for an enthusiastic Special Procedures Technologist to help us reach our goals. Unlock your potential!

Job Summary and Qualifications

As the Special Procedures Technologist, you will be responsible for all aspects of patient radiographic imagery for invasive procedures and for radiologic safety precautions as they pertain to the patient, Special Lab staff and the physician. You will plan and carry out records of all radiologic requirements for quality control. We are an amazing team that works hard to support each other, and we are seeking a phenomenal addition like you who feels patient care is as meaningful as we do. We want you to apply now!

What You Will Do In This Role:

You will have an understanding of procedures performed in specials Lab.

You will understand sterile techniques and sterile field procedures.

You must have a sound understanding of all Radiation procedures.

You must be able to work with varying technologies such as Meditech, PACS etc.

You will work as a team player and meet the needs of the Special procedures team.

You will administer medication and therapies under a physician's direction.

What Qualifications You Will Need:

One year of related experience in diagnostic radiology is preferred.

Associated degree from a school of radiological technology is required.

BCLS certification from the American Heart Association is required.

Current TDH certificate for Certified Medical Technologist is required.

ARRT is preferred.

in McAllen, Texas has been serving the Rio Grande Valley for more than 30 years. Our **full service hospital has 320+ beds** and a team of more than 500 physicians representing 35+ specialties. Rio Grande Regional Hospital offers a full range of inpatient and outpatient medical and surgical services. Our Emergency Room is a **Level III Trauma Center** and we have extended our ER services into the Rio Grande Valley with our three remote ERs in McAllen/Mission, Edinburg, and San Juan. Our Women's Services include L&D and a 30+ bed NICU. We also have an entire children's hospital within our main facility to care for the children in our community. We work with the *Texas Transplant Institute, which serves local patients in need of organ, tissue or stem cell transplants* Our proven track record of serving the medical needs of the Valley communities we serve has led to Rio Grande Regional Hospital being recognized for patient safety and clinical excellence time and time again. HCA Healthcare has been recognized as one of the World's Most Ethical Companies® by the Ethisphere Institute more than ten times. In recent years, HCA Healthcare spent an estimated \$3.7 billion in cost for the delivery of charitable care, uninsured discounts, and other uncompensated expenses.

There is so much good to do in the world and so many different ways to do it.- Dr.
Thomas Frist, Sr.
HCA Healthcare Co-Founder

Be a part of an organization that invests in you! We are reviewing applications for our Special Procedures Technologist opening. Qualified candidates will be contacted for interviews. Submit your application and help us raise the bar in patient care!

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
