Company: GlobalSource IT

Location: United States

Category: other-general

GlobalSource IT has a Direct Client need in the Greater Salisbury, MD area who is looking for a Sr. SAP CPI/BTP Consultant that can help drive some new Proof of Concept work as they look to transition off current PI/PO and Event Mesh solutions to leverage the newer CPI/BTP Integration Suite. This would include helping to re-design a number of interfaces from SAP to MS-Dynamics as well as 3rd party systems, API Management, Data IQ, and Cloud Integrations. The ideal candidate will have experience working with both ABAP Developers, Middleware Engineers, and Business Teams alike to inform or teach on newer processes. Preference would also be for someone with recent experience connecting and using SAP DataSphere to help push data into their Azure Platforms moving forward. The opportunity is set for an initial 6-9 months and can be supported primarily remote. Must have 10+ years of SAP Integration experience and strong project work using CPI/BTP platforms. Experience using Integration or BTP features like API Management, Event Mesh, Data IQ, REST/Soap/OData, and Open Connectors. Any experience with integrations to either MS-Dynamics ERP systems or SAP DataSphere is a big plus for this role. Ability to work with both business and technical teams alike for training or driving project success is required. *** If you're interested in the role please send your Current Resume and Rate Expectation to the email attached: jasonz@globalsourceit.com ***
