Company: America's Swimming Pool Co. - Columbus

Location: Columbus

Category: other-general

ASP – America's Swimming Pool Company is America's premier swimming pool service company. We have been operating for over 15 years with an outstanding reputation. We pride ourselves on providing resort quality pool services. To do this we have built a team of dedicated, enthusiastic technicians who enjoy delivering resort-quality service and treating our customers with the utmost respect.

Our Mission: At ASP, we create superior value for our customers in all that we do by leveraging technology, higher standards, knowledge and the relentless pursuit of excellence.

Because of our approach, we have earned loyal customers who expect and desire dependable, quality swimming pool solutions. We guarantee satisfaction with our services and do not require long-term contracts. We are fully licensed and insured and our team members are among the best in the swimming pool service industry.

We continue to grow and are seeking a solution-oriented and customer-focused Pool Maintenance Technician to join our team. This position is responsible to provide excellent on-site pool cleaning and pool maintenance services to each and every customer they are

assigned. This includes following our proven pool cleaning methods, handling pool chemicals in a controlled and safe manner, following all established protocols and sharing lessons learned with the rest of our team.

The ideal person for this position will love to work outdoors. They will be a self starter who has the ability to work independently with minimal oversight and guidance. They will handle all matters with integrity and embrace the concept and requirements of delivering resort-quality service.

Responsibilities:

Success in this position will be determined by the following measurable results:

Manage a swimming pool route that includes the cleaning of swimming pools each week.

The ability to manage a stocking of chemicals on the truck and properly adjust the water chemistry for each pool each week.

The ability to utilize a smart phone for our Pool Ops mobile platform.

The ability to spot equipment repair needs and communicate those needs to the office.

We are specifically looking for an individual who demonstrates these behaviors consistent with the ASP way of doing business (our culture and values):

Acting with Integrity;

Superior Knowledge;

Passion for the Company;

Customer Focus;

Accountability and Discipline;

Respecting Others;

Excellence in ALL we do; and

Safety First at all Times.

Requirements:

Requirements for this position are that you have:

(1) a valid driver's license with a clean driving record;

(2) no felony convictions (must pass a criminal background check); and

(3) the ability to lift up to 100 lbs.

No other specific experience is required as we will teach you the ASP methods designed to give our customers a great looking pool and to maximize your earning potential; however, ***a high school degree and Certified Pool Operator License is preferred.***

Bonus Potential:

This position has the potential of earning an annual bonus by the company when specific gross revenue goals are met for the year.

Benefits:

A company truck will be provided which you keep fully stocked with tools and chemicals. You will receive paid vacation time following a qualifying period.

Next Steps:

If you are interested in being considered for this position and joining our award-winning team, then we would encourage you to apply for this position.

We look forward to learning more about you as you go through our hiring process.
