Department Name

Who we are

London Health Sciences Centre (LHSC) is a world-class academic health sciences centre located in the southwestern Ontario city of London. Just two hours from Toronto and two hours from Detroit, London features a beautiful and walkable downtown core located on the Thames River, a vibrant culinary scene and scores of activities that highlight local arts, culture and music. As one of Canada's largest hospitals, LHSC is a world-class innovator in clinical care, research and teaching, delivering both local and regional services, including the Children's Hospital, within a large geographic area. LHSC has a workforce of close to 15,000, dedicated to delivering the highest quality patient care while working together to shape the future of health.

Medical Imaging is an integrated subspecialty based academic department across London Health Sciences Centre, Victoria Hospital and University Hospital committed to providing quality-driven patient care. Our multidisciplinary team integrated by 352 staff, 40 Radiologists and Nuclear Medicine Physicians serve clients in Southwestern Ontario, across Canada and internationally with highly specialized imaging in neurology stroke, pediatrics, high risk obstetrical, orthopedic and cardiac imaging. We believe in transformational knowledge, quality

improvement and healthcare excellence.
