About Coast Medical Service

There are agencies that take care of your logistics, and then there are agencies that give you agency — over your own career, your own job placements, and your own life. Coast Medical Service is a travel healthcare professional placement agency helping nurses and Allied Healthcare Professionals across the country and in Guam to find handpicked placements best suited to their skill sets and desired facilities. We pride ourselves on our longstanding reputation placing temp healthcare workers where they are most needed.

We offer exceptionally competitive pay, a schedule you can set up yourself based on your terms, and the opportunity to see the world, changing placements every few weeks, months, or years, as desired. We have been ranked in the top national agencies for this purpose for multiple reasons — we offer extensive benefits, we have stellar communication skills, and you will quickly find we are the most trustworthy agency around.
