Company: Canadian Health Labs

Location: Various

Category: healthcare-support

Travel Registered Nurse Long-term Care/Rehabilitation We seek experienced Registered Nurses (RNs) for travel assignments in Long-term Care and Rehabilitation settings. As a Travel RN, you will have the opportunity to work in diverse healthcare environments, providing high-quality care to patients in need. This position offers the flexibility of 13-week contracts with the potential for longer-term placements, allowing you to explore new locations while advancing your career. Key Responsibilities: Provide comprehensive nursing care to residents/patients in Long-term Care and Rehabilitation facilities. Collaborate with interdisciplinary healthcare teams to develop and implement individualized care plans. Administer medications, perform treatments, and monitor patient responses. Document patient assessments, interventions, and outcomes accurately and timely. Educate patients and families on healthcare maintenance and disease prevention. Qualifications: Minimum two (2) years of recent RN experience in Long-term Care or Rehabilitation settings. Active BLS (Basic Life Support) certification. Valid RN license in Ohio, Pennsylvania, or Compact States. Excellent communication and interpersonal skills. Ability to adapt to new environments and work effectively in a team-oriented atmosphere. Flexibility to travel and experience new cultures. Provide proof of COVID-19 vaccination as per State Immunization Policy. Must be willing to undergo a background check. Location: Various locations in Ohio (OH), Pennsylvania (PA) Duration: 13-week contracts, with potential for extension Schedule: Full-time, 40 hours per week, rotating weekends Shifts: Days and Nights available Benefits: Competitive pay rates with weekly direct deposit. Access to a dedicated team for support and assistance during assignments. World Health Labs USA Inc. is

committed to Global Ethics and is an equal opportunity employer. We are committed to fostering a diverse, inclusive, and equitable work environment where all associates are represented, supported, and treated fairly and respectfully. We believe in selecting, developing, and rewarding the best candidate for the job based on the requirements and responsibilities of the role. If you are contacted for any opportunity with us and require any accommodation during the recruitment and selection process, please be sure to communicate your needs with your recruiter. Any information shared will be treated confidentially and only transferred to provide a positive and accessible candidate experience.

Bachelor's degree in nursing At least two years of recent nursing experience, preferably in a hospital or community setting or a Long-Term Care facility

1-3 years

- Valid Registered Nurse (RN) license • BLS and ACLS certifications and others based on specialties • Strong clinical and communication skills • Ability to adapt to new environments.
- Flexibility to travel and experience new cultures. • Provide proof of COVID-19 vaccination as per State Immunization Policy. • Must be willing to undergo a background check.
