FULL TIME-NIGHTS

GENERAL SUMMARY:

Under site designate leader, and according to established policies and procedures performs accurate and efficient Ultrasound exams utilizing appropriate imaging equipment, independent judgment, ingenuity, and initiative. Technologists must demonstrate good clinical skills and provide the best possible images for interpretation. Follows Corewell Health philosophy of Patient and Family Centered Care at all times.

ESSENTIAL DUTIES:

Verifies patient identification and physician order. Provides procedural information/education to the patient/family prior to each exam. Acquires an accurate patient history and documents in the medical record. Performs Ultrasound and related patient care procedures using age-appropriate methods for patient's physical ability and/or limitations. Proficiently operates ultrasound imaging equipment and performs necessary quality control and quality assurance testing. Monitors patients during procedures to ensure patient safety. Reviews ultrasound images with the Radiologist, as necessary. Ensures STAT requests are relayed to radiologist in a timely manner. When required, assists with procedures using sterile technique, receives and documents samples for lab processing. Disposes of fluids according to biohazard protocols. Ensures equipment is wiped down between patients and exam room is clean and properly stocked with linen and supplies. Accurately and efficiently uses hospital computer systems for verifying orders, viewing schedules, and

sending information to PAC's. Uses effective inter/intra-departmental communication and participates with medical staff, management, technical and support staff. Assist in training new staff/students. Verifies correct patient, correct exam / final verification, clarify questionable orders with ordering physician or Radiologist.

This document represents the major duties, responsibilities, and authorities of this job, and is not intended to be a complete list of all tasks and functions. It should be understood, therefore, that employees may be asked to perform job-related duties beyond those explicitly described.

CURRENT COREWELL HEALTH TEAM MEMBERS – Please apply through Find Jobs from your Workday team member account. This career site is for Non-Corewell Health team members only.

Corewell Health is committed to providing a safe environment for our team members, patients, visitors, and community. We require a drug-free workplace and require team members to comply with the MMR, Varicella, Tdap, and Influenza vaccine requirement if in an on-site or hybrid workplace category. We are committed to supporting prospective team members who require reasonable accommodations to participate in the job application process, to perform the essential functions of a job, or to enjoy equal benefits and privileges of employment due to a disability, pregnancy, or sincerely held religious belief.

Corewell Health grants equal employment opportunity to all qualified persons without regard to race, color, national origin, sex, disability, age, religion, genetic information, marital status, height, weight, gender, pregnancy, sexual orientation, gender identity or expression, veteran status, or any other legally protected category.

An interconnected, collaborative culture where all are encouraged to bring their whole selves to work, is vital to the health of our organization. As a health system, we advocate for equity as we care for our patients, our communities, and each other. From workshops that develop cultural intelligence, to our inclusion resource groups for people to find community and empowerment at work, we are dedicated to ongoing resources that advance our values of diversity, equity, and inclusion in all that we do. We invite those that share in our commitment to join our team.

You may request assistance in completing the application process by calling 616.486.7447.
