

Veterinary Internal Medicine Specialist

[Apply Now](#)

Company: Central Texas Veterinary Specialty & Emergency Hospital

Location: United States

Category: other-general

Central Texas Veterinary Specialty and Emergency Hospital, with locations in Austin and Round Rock, TX, is Seeking a Veterinary Internist. Are you a Veterinary Internist looking for a new challenge? Do you want to work with a team of specialists and experienced emergency clinicians who share your passion for animal health? If so, you might be the perfect fit for our Austin hospitals. CTVSEH is a leading referral center that offers surgery, oncology, neurology, and critical care services to pets in need. We are seeking a full-time Veterinary Internist to join our internal medicine department and provide high-quality care to our patients and clients. You will have the opportunity to collaborate with other specialists and use state-of-the-art equipment and facilities. You will also enjoy a supportive and friendly work environment that values your skills and expertise. CTVSEH offers the best specialty and emergency services for pets in Austin. Our medical team has over 25 years of experience, a strong partnership with local primary care veterinarians, and strives to provide excellent, compassionate care to our patients and clients. We know that our team members often spend more hours with their colleagues than their loved ones, and we value the significance of a healthy and positive work environment. We invest in and empower our team of specialists, emergency care veterinarians, veterinary technicians, and support teams by enhancing their education, supporting their mental health, and nurturing their true passion within veterinary medicine. We fully welcome and celebrate diversity and believe in building an inclusive workplace that reflects any and all backgrounds, perspectives, and skills. We are Looking for a Board-Certified or Residency-Trained Internist, Who Shares Our Team Values, and is: Driven by a desire to make positive impacts on the lives of people and their pets

every single day at work. A Leader who value and empower our dedicated support team. Able to handle multiple tasks efficiently and effectively in a dynamic work setting. Collaborative and supportive of colleagues who offer constructive feedback and guidance when appropriate. If this sounds like a good fit for you, please apply today. We would love to meet you and discuss this opportunity further!

AUSTIN is a Vibrant and Diverse City That Welcomes People From All Walks of Life. Whether you are into music, food, nature, or culture, you will find something to enjoy here. We are proud of our "Live Music Capital of the World" title and our rich culinary scene. We also have plenty of outdoor activities to explore in our city parks, lakes, and the nearby Hill Country. Austin is a wonderful place to live and work, where being WEIRD is celebrated and everyone belongs. If you want more than just a job, but a community to call your own, Austin is your city.

CTVSEH is a proud United Veterinary Care Partner hospital. United Veterinary Care supports the unique culture and individuality of each partner hospital while empowering the hospital teams in their care for patients. One of our goals is to support our community of hospitals in creating sustainable, fulfilling careers in a profession we love.
