

## Wordpress Developer

[Apply Now](#)

Company: Ferguson

Location: Indianapolis

Category: other-general

Ferguson Digital, with offices in Fort Wayne and Indianapolis, Indiana, is a custom software development organization that is expanding its team to meet the needs of existing and new clients.

From websites, mobile apps, e-commerce applications, enterprise software, data warehouses and pipelines, to AI-powered solutions, we deliver on the needs of our clients, to support their business goals.

We are building a new team of Wordpress Developers that will use Wordpress and Elementor to build websites for existing and new clients.

Candidates for this position will work a minimum of three days per week from the Fort Wayne or Indianapolis office.

### **Job Responsibilities:**

Meet with internal and external stakeholders to discuss website designs and goals

Work with designers, writers and SEO experts as part of a cross functional team

Build and maintain websites on the front end and back end

Fix website bugs

Train clients on how to use Wordpress

Optimize sites with SEO best practices

**Qualifications:**

Proven work experience as a Wordpress Developer

Demonstrable experience with Elementor

Experience with JIRA Software and Jira Service projects

Excellent communication skills

Knowledge of git or other code version control tools

Experience with debugging tools like Chrome DevTools

**Extra Considerations for candidates with:**

Demonstrable design or UI/UX experience

Experience with React

Experience with Gutenberg

**About Ferguson Digital**

Ferguson Digital is a division of The Ferguson Agency—one of the largest and fastest-growing full-service marketing agencies in Indiana. We've achieved this by taking care of our clients, taking care of our people, doing good work and having fun.

We offer competitive compensation and benefits packages with a casual and flexible work environment - including work from home options - because we take business seriously, but we don't take ourselves too seriously.
